

GesundheitsTreff

Health Meetup

> free of charge > confidential > independent

What are we offering?

- We take plenty of time for consultations about health questions and problems.
- We are offering a health check up with medical advice.
- We can rectify missed pediatric screening examinations.
- We inform you in detail about vaccinations.
- We help in procuring social services.
- We explain the functionalities of the German health system and your benefit entitlements.
- We support you in your search for a family doctor and specialist and with scheduling appointments with the physicians.
- We help you with applications for follow-on treatments such as rehabilitation measures or cures at a spa.
- We conduct group offers, courses and training sessions for all kinds of needs involving the topic of health.
Please also note our program at muenchen.de/gesundheitstreff
- We work together with physicians, midwives, hospitals and other medical and social facilities, so that we always find the correct contact for you. If you have language difficulties, we can call an interpreter in.
